

# TE Club Seat™ Heated Stadium Cushion

## WATCH OUTDOOR SPORTS IN COMFORT

The Club Seat is the latest Hi Tech outdoor sports, heated seat cushion! Unlike anything on the market, the Club Seat was created and designed for the outdoor enthusiasts who want year 'round comfort!

This cushion is completely self-contained and can be used over and over. No need for microwaves or disposable packs. The cushion is portable, lightweight, water resistant and rechargeable. If you have enjoyed the heated seats in your automobile, then you are going to love the TE Club Seat heated cushion. Battery charging adapter included.

Call for additional information >>>
